**Subject:** Kentucky State Police (KSP) Refusal to Process Criminal Referrals, Obstruction of Justice, and Color of Law Violations

---

## **Summary of Criminal Violations by Kentucky State Police (KSP)**

---

The Kentucky State Police (KSP) organization is engaging in **criminal obstruction of justice** by willfully refusing to process or investigate multiple **federal criminal referrals**, including those involving:

---

- **Racketeer Influenced and Corrupt Organizations Act (RICO) violations**
- **Fraud, conspiracy, and systemic housing discrimination**
- **Obstruction of criminal investigations (18 U.S.C. § 1510)**
- **Deprivation of rights under color of law (18 U.S.C. § 242)**
- **Failure to report and investigate crimes (KRS § 15.200, 18 U.S.C. § 4 – Misprision of Felony)**
- **Systemic retaliation against a disabled citizen and child**
- **Government corruption and abuse of power**

# CRIMINAL REFERRAL – KENTUCKY STATE POLICE

## REFUSAL TO PROCESS FEDERAL CRIMINAL COMPLAINTS

### Specific Criminal Obstruction by KSP

---

#### 1. Refusal to Accept Criminal Complaints:

- Despite submissions of documented criminal referrals, KSP has outright refused to investigate or process reports, including not even generating or creating a single report.
- KSP has provided no formal acknowledgment, case number, or assigned investigator.

#### 2. Failure to Identify the Responding Officer:

- KSP refuses to provide the name, badge number, or official title of the officer responding to my reports of criminal activity.
- This lack of transparency raises serious concerns regarding accountability and official misconduct.

#### 3. Failure to Uphold Federal and State Laws:

- KSP is legally obligated to process and investigate reports of federal crimes.
- Their failure to act is a violation of both state and federal law and constitutes official misconduct.

#### 4. Retaliatory Refusal to Investigate Public Corruption:

- KSP is knowingly shielding criminal actors from investigation, thereby **facilitating a broader pattern of institutional corruption, and raising the question of who is ordering the conduct of the organizations involved in this corruption and individuals acting under color of law under the guise of authority. It must be someone in a high position of power.**

# CRIMINAL REFERRAL – KENTUCKY STATE POLICE

## REFUSAL TO PROCESS FEDERAL CRIMINAL COMPLAINTS

### 5. Obstruction of Housing Fraud and Civil Rights Violations:

- KSP's refusal to act enables continued retaliation, housing discrimination, and systemic fraud affecting disabled individuals and families.

---

### Requested Actions

---

Due to KSP's continued refusal to act, I am formally requesting:

---

1. **Immediate federal intervention and investigation into KSP's obstruction of justice.**
2. **Escalation to the FBI Public Corruption Unit and DOJ Civil Rights Division.**
3. **Formal disciplinary review and accountability for all KSP officials involved.**
4. **Congressional and media exposure of KSP's role in systemic corruption.**
5. **Immediate compliance with legal obligations to process and investigate federal criminal complaints.**

---

### Failure to Comply Will Result in Further Federal Escalation

---

I will be reporting this matter to:

- The U.S. Department of Justice Public Integrity Section
- The U.S. Senate and House Committees on Judiciary and Oversight
- The U.S. Office of the Inspector General
- The national media, whistleblower organizations, and public advocacy groups

The **Kentucky State Police is now on record for deliberate obstruction of justice and dereliction of duty.** Their continued refusal to act constitutes a **criminal cover-up** and directly contributes to ongoing violations of federal law.

---

**Immediate response required.**

**Failure to act will be treated as further evidence of KSP's criminal misconduct.**

## **Official Request for Superior Officer Review & Official Police Report Filing**

Your response **did not include the name, badge number, or title** of the responding officer, which raises serious concerns about its legitimacy as an official communication.

**I am immediately requesting that the responding officer identify themselves, provide their badge number, and confirm their official position within KSP.**

Additionally, I am **formally requesting that my criminal referral be documented as an official police report** with a corresponding **report number** and confirmation of receipt immediately.

My submission contains **clear violations of both federal and Kentucky law**, and KSP is legally obligated to investigate these matters under **KRS § 15.200 (Duty to Report Crimes)** and **18 U.S.C. § 4 (Misprision of Felony)**.

## Immediate Actions Requested:

1. **Provide the name, badge number, and official title of the officer who responded to my prior email.**
2. **Escalate my criminal referrals to superior officer(s) for immediate review and referral to higher level agencies.**
3. **Provide the name and contact information of the superior officer overseeing criminal investigations within the Kentucky State Police AND the Commissioner's office.**
4. **Officially document my report as a formal police report, assign it a case number, and confirm that it has been entered into the system.**
5. **Explain why KSP is refusing to process or forward criminal referrals to the appropriate investigative bodies, which could constitute obstruction of justice (18 U.S.C. § 1510).**

## Legal Violations by KSP in Failing to Act:

- **Failure to Report Crimes (KRS § 15.200):** Kentucky law mandates that police must report and investigate evidence of crimes.
- **Obstruction of Criminal Investigations (18 U.S.C. § 1510):** **Knowingly interfering with the reporting or investigation of a crime is a federal offense.**
- **Deprivation of Rights Under Color of Law (42 U.S.C. § 1983):** KSP officials refusing to process reports of crimes against me constitute a civil rights violation.

## Failure to Comply Will Result in Immediate Federal Escalation

If KSP refuses to escalate this for internal review or refuses to file an official police report immediately, I will immediately:

- **File a complaint with the DOJ Civil Rights Division** regarding KSP's refusal to uphold the law.
- **Submit a federal complaint to the FBI Public Corruption Unit** to investigate the systemic refusal to process criminal referrals.
- **Forward this entire exchange to state and national media outlets** as evidence of police corruption and obstruction in Kentucky.

## Immediate Response Required

KSP must not ignore this request. Please provide:

- ✓ **The officer's name, badge number, and official title - today - 2025-03-18.**
- ✓ **The superior officer's name, contact information, and confirmation that this matter has been escalated immediately - I expect a response today - 2025-03-18.**

- ✓ **A formal case number for my police report and written confirmation that it has been officially entered into the system today - 2025-03-18 - and a copy of the report - today - 2025-03-18**
- ✓ **A response regarding whether KSP intends to comply with its legal duties or continue violating federal law - today - 2025-03-18.**

I also request that a separate but related report be created regarding **mail fraud and mail tampering**, as these issues are directly connected to the criminal matters I have reported. Additionally, I want any potential **identity theft, obstruction of justice, or conspiracy to interfere with my legal rights** documented. This includes any instances where my mail has been unlawfully withheld, intercepted, or altered in a way that has prevented me from receiving critical legal or medical correspondence and prevented my legal filings from reaching their destinations and preventing my legal filings from all reaching Washington DC. I have attached two related files.

Failure to respond will be treated as **official misconduct and further obstruction of justice.**

**An immediate response is required.**

Subject: Rampant Corruption In the Police Force and Authoritative Law Leadership - Need Assistance

Message Body:

Subject: Rampant Corruption in Law Enforcement Leadership – Demand for Immediate Oversight and Accountability

Dear Kentucky Police Commissioner,

I am writing to formally report rampant corruption, obstruction of justice, and violations of federal and state law within multiple law enforcement agencies, including but not limited to the Jeffersontown Police Department (JPD) and affiliated entities. This matter involves willful refusal to process criminal referrals, obstruction of federal investigations, deprivation of rights under color of law, and blatant non-compliance with legal mandates.

The Core Issues:

Jeffersontown Police Department (JPD) is obstructing justice

I have repeatedly submitted criminal referrals documenting serious federal crimes, including RICO violations, housing fraud, obstruction of justice, and constitutional violations.

JPD refuses to process or forward these referrals to federal authorities, which is a violation of KRS § 15.200 (Duty to Report Crimes), 18 U.S.C. § 4 (Misprision of Felony), and 18 U.S.C. § 1510 (Obstruction of Criminal Investigations).

Sergeant Burns and others have falsely claimed they "do not understand" the referrals, despite them being clearly written and legally backed.

Statewide Corruption and Collusion in Law Enforcement & Judicial System

There is an orchestrated effort to suppress and silence complaints against public officials, judges, and housing authorities engaging in fraud and abuse.

Multiple Kentucky law enforcement and court officials are engaging in retaliation, refusal to process legitimate filings, and failure to uphold the Constitutional rights of residents.

This extends beyond JPD into judiciary corruption in the 6th Circuit, the Kentucky Attorney General's Office, and local housing authorities engaged in RICO violations.

My Child and I Are Direct Victims – Immediate Federal Protections Needed

I am a disabled individual facing severe discrimination, denial of due process, and retaliatory housing eviction due to exposing these corrupt networks.

My child's well-being is also in danger, as government agencies are using fraudulent tactics and suppression of evidence to justify illegal actions against us.

This is a civil rights emergency, and I demand immediate protection under 18 U.S.C. § 3771 (Crime Victims' Rights Act) and federal whistleblower laws.

Demands for Immediate Action:

Immediate Disciplinary Action Against JPD Leadership for failure to process and forward my federal criminal referrals.

State-Level Investigation into Police and Judicial Corruption, including obstruction in courts and housing authorities.

Direct Referral of My Criminal Complaints to Federal Law Enforcement, including the FBI, DOJ Public Integrity Section, and Civil Rights Division.

Immediate ADA Compliance and Whistleblower Protections, ensuring that I am not retaliated against for exposing these violations.

This is not a trivial complaint—this is a systemic, organized crime-level operation operating under the guise of Kentucky law enforcement and judicial authority. Your failure to act will result in further legal actions, federal oversight, and national media exposure.

I expect an immediate written response confirming the next steps your office is taking to address this corruption. Failure to act will be treated as complicity in the obstruction of justice and systemic civil rights violations occurring within Kentucky's police leadership.

Sincerely,

John R. Fouts, MBA
